REVIEW YOUR PLANT COLLECTION:

Add grow lamps where needed

Pull back on watering and fertilizer

Clean plant leaves front and back

Add a top layer of new soil or worm castings

THINK ABOUT YOUR PLANTY GOALS FOR THE YEAR:

What do you want to add to your collection?

What are you doing well, & what can you learn more about?

PLAN YOUR GARDEN:

Browse seed catalogs

Evaluate your garden for winter interest. What can you add?

Create your veggie garden layout
